

## Application to the Alameda County Community Advisory Board

Thank you for your interest in applying for the Alameda County Community Corrections Partnership Community Advisory Board. (Herein after the CAB).

The CAB will consist of 15 members, including people who have been formerly incarcerated<sup>†</sup> and victims of crime and will advise and make recommendations to the Alameda County Community Corrections Partnership Executive Committee (CCPEC) by providing input on community needs; assessing implementation of the Realignment plan; reviewing data on Realignment outcomes; advising the CCPEC on community engagement strategies; offering recommendations for ongoing Realignment and reentry planning; reviewing all Realignment and reentry-related budget proposals and allocations; and encouraging outcomes that are consistent with the County's Realignment and Reentry Plan. The CAB is designed to ensure that the community has a voice in realignment and re-entry policy.

**Note:** CAB members are subject to the conflict of interest rules in Government Code §1090, which generally prohibits them from participating in the making of a contract in which the CAB member has a direct or indirect financial interest.

For assistance, please email us at [CABhelp@acgov.org](mailto:CABhelp@acgov.org).

<sup>†</sup> For the purpose of this application, we are defining formerly incarcerated as:

**Note:** This application will be made available to the public upon request. Your personal contact information will be redacted as permitted by law.
