Promote safe, fair, and healthy environments for youth, staff and families

Prepare, empower, and support staff to provide effective services

Increase positive youth and family experiences and outcomes

Focusing attention on issues around racial and ethnic disparities

•Prioritizing family engagement and addressing the trauma that youth have experienced

•Utilizing a developmental approach to youth rehabilitation

•Emphasizing youth permanency as part of case planning

•Enhance community safety

# SB 823 Plan Requirements

## The Alameda County Probation SB 823 Plan Components:

- 1) A description of the realignment target population in the county that is to be supported or served by allocations from the block grant program, including the numbers of youth served, disaggregated by factors including their ages, offense and offense histories, gender, race or ethnicity, and other characteristics, and by the programs, placements, or facilities to which they are referred.
- 2) A description of the facilities, programs, placements, services and service providers, supervision, and other responses that will be provided to the target population.
- 3) A description of how grant funds will be applied to address each of the following areas of need or development for realigned youth:
  - A. Mental health, sex offender treatment, or related behavioral or trauma-based needs.
  - B. Support programs or services that promote the healthy adolescent development.
  - C. Family engagement in programs.
  - D. Reentry, including planning and linkages to support employment, housing, and continuing education.
  - E. Evidence-based, promising, trauma-informed, and culturally, responsive.
  - F. Whether and how the plan will include services or programs for realigned youth that are provided by nongovernmental or community-based providers.

# SB 823 Plan Requirements

## The Alameda County Probation SB 823 Plan Components:

- 4) A detailed facility plan indicating which facilities will be used to house or confine realigned youth at varying levels of offense severity and treatment need, and improvements to accommodate long-term commitments. This element of the plan shall also include information on how the facilities will ensure the safety and protection of youth having different ages, genders, special needs, and other relevant characteristics.
- 5) A description of how the plan will incentivize or facilitate the retention of realigned youth within the jurisdiction and rehabilitative foundation of the juvenile justice system in lieu transfers of realigned youth into the adult criminal justice system.
- 6) A description of any regional agreements or arrangements to be supported by the block grant allocation pursuant to this chapter.
- 7) A description of how data will be collected on the youth served and outcomes for youth served by the block grant program, including a description of the outcome measures that will be utilized to measure or determine the results of programs and interventions supported by block grant funds.

# Alameda County Probation Department
